

SPECS SHEET

ALUMAX WERKBOOT 540

The lightweight Workboat 540, based on the renowned Bullit 540, offers exceptional maneuverability and stability. With dimensions of 5,40m in length and 2,00m in width, it boasts a shallow draft of 0,20m. Its robust construction ensures durability and resilience.

Key Features:

- Excellent maneuverability: the Workboat 540 excels in various roles, from firefighting to surveillance.
- Versatility: Whether as a firefighting vessel, patrol boat or workboat with a push block, the Workboat 540 delivers high speeds and reliable performance.
- Low maintenance: designed for minimal upkeep, the Workboat 540 can withstand winter conditions and freezing temperatures without damage, making it a dependable choice yearround.
